UPDATED SEPTEMBER 2018

Dear 4-H member and family:

During your time in 4-H, you will learn many different skills to help you grow as a person and to become a positive, successful and caring individual to yourself, family and community. The information in this packet is designed to help you learn some of these skills.

Success in 4-H means getting the most out of your experiences by setting goals, making choices, keeping records of your progress and learning as you go. It also means learning how to lead, learn, work and have fun with others. Keep in mind that awards reflect only a part of 4-H success; true accomplishment comes with doing your personal best.

The Guidelines set forth in this document will help you to understand what is required to compete for the many youth awards. The decisions of the Awards Committee are final. If you have any questions about award requirements or decisions of the Awards Committee, ask your club's General Leader and/or the county UW-Extension 4-H agent.

Please keep this packet for future reference.

Thank you,
Burnett County 4-H Leaders Association
